Hurricane Harvey Supplies Drive!

The Boys & Girls Clubs of Wichita Falls are joining together to help Club Kids in South Texas who were affected by the recent hurricane. We will deliver donated items to the BGC's of Austin, who will in turn deliver them to BGC Club kids and their families that were affected.

Each unit will be conducting supplies drives, and one member at each location will win a Family Pizza Night, sponsored by Marco's Pizza! (See your Unit Director for more details on this contest)

To the right is a list of supplies we have been asked to gather for donations (please only donate items on this list!).

Needed Supplies:

Deodorants
Shampoos
Soaps
Conditioners
Tooth Paste
Tooth Brushes
Feminine Products
Toilet Paper
Baby Wipes
Any other toiletries or hygiene products
Unused underwear (new condition only)
Unused socks (new condition only)
Any type of unused school supplies.

(Please, only donate items that are in new condition. The hurricane victims will already be battling a large amount of germ related issues, and we do not want to add to that with partially used toiletries & hygiene items.)
